1. **Definitions.** Each of the terms capitalized and defined in this Section shall refer to and shall have the respective meaning set forth in this Section.

1.1 **Base Year:** The calendar year in which the Term commences which for the purposes of this Agreement shall be deemed to be 2018.

1.2 **Building:** The two (2) story building having approximately 36,524 rentable square feet of space constructed or to be constructed by Landlord on the Land, together with any additions, replacements or alterations to same, as more completely described in Exhibit A. 1.3 **Commencement Date.** Rent commencement shall begin when the Tenant Improvements outlined in Exhibit D herein are completed and upon tender of possession. Landlord will make best efforts to substantially complete tenant improvements as described in Exhibit D by January 31, 2019. If Landlord is unable to provide occupancy before January 31, 2019 then rent shall be abated on a day-by-day basis until Tenant takes occupancy. In the event the premises are not vacated by prior Tenant by January 1, 2019, Tenant shall have the right to withdraw from this lease without further responsibility. TIME IS OF THE ESSENCE. RHS

1.4 **Common Area or Common Areas:** The Land and easement areas which benefit the Land, which are now or hereafter made available for the nonexclusive use, convenience and benefit of Landlord, Tenant, other Building, tenants, their employees, agents, customers, invitees or licensees, including without limitation, lobbies, walkways, driveways, corridors, loading zones, Parking Facilities, storage areas, stairwells, elevators, service areas, signs, decorative improvements, such as sculptures and fountains, courts, paving, lighting and landscaped and planted areas. 1.27 Stipulated Square Footage of the Premises and Building: The parties stipulate and agree that (i) the Premises are 8,582 rentable square feet as shown on the floor plan attached hereto as Exhibit B, (ii) the Building consists of 36,524 rentable square feet, and (iii) these square footage measurements are final and binding for all adjustments, prorations, charges or purposes of this Lease.

The rentable square footage of the Premises has been determined in accordance with the Building Owners and Management Association Standard Method of Measurement for suburban office buildings in Atlanta, Georgia, ANSI-Z 65.1-1996 ("The BOMA Standard"). Within thirty (30) days after the Commencement Date, Tenant may, at its sole cost and expense, measure the rentable square footage of the Premises to determine if it is in accordance with The BOMA Standard. If Tenant disputes Landlord's measurement as set forth in Section 2.a., it shall notify Landlord within five (5) days after Tenant's receipt of its measurement. If Landlord and Tenant cannot thereafter agree on the appropriate measurement within ten (10) days after Tenant's notice, then either party shall have the right to submit the issue to arbitration the process for which shall be mutually determined at such time. If it is determined that the actual rentable square footage measured by The BOMA Standard varies from the rentable square footage determined by Landlord, then the Annual Base Rent (and any other provisions of this Lease based on a specific rentable square footage) shall be retroactively adjusted to reflect the applicable square footage figures as determined by arbitration. Landlord and Tenant, as applicable shall pay any retroactive adjustment within twenty (20) days after the arbitration award.

1.28 Tenant's Address for Notice After Commencement Date:

Tenant to provide address:

NARRATIVE COMPANY

103 Palm Blvd Suite 1-A Isle of Palms SC 29451

1.30 Tenant's Share: The ratio, which the Stipulated Square Footage of the Premises bears to the Stipulated Square Footage of the Building, which for purposes of this Lease is Twenty three point nineteen percent (23.19%). Landlord shall provide Tenant with plans, drawings, and calculations utilized to establish Tenant's sq. footage of the building.

1.31 Term: 36 (Thirty six) months beginning on the Commencement Date and ending at 11:59 pm on the last last day of the Thirty-sixth (36th) full month following the Rent Commencement Date.

1.32 Work Letter: The description of the work to be performed by Landlord to complete the Premises set forth on Exhibit D.

2. Premises. Landlord does hereby rent and lease to Tenant and Tenant does hereby rent and lease from Landlord the Premises, a nonexclusive right to use of the Common Areas, and any rights of parking provided in Sections 1.21 and 12.7.

3. Rent Commencement Date and Tender of Possession. Rent Commencement shall begin when Tenant takes Possession. Tenant will tender possession of the premises when Landlord's work as described in Exhibit D is substantially completed. Landlord and Tenant presently anticipate that possession of the Premises will be tendered to Tenant with Landlord's Work complete on or before January 31, 2018 (the "**Estimated Delivery Date**"). If Landlord is unable to tender possession of the Premises in such condition to Tenant by the Estimated Delivery Date, then (a) the validity of this Lease shall not be affected or impaired thereby, (b) Landlord shall not be in default hereunder or be liable for damages therefor, and (c) Tenant shall accept possession of the Premises when Landlord tenders possession thereof to Tenant with Landlord's Work (as defined in Exhibit D) substantially complete. Within ten (10) days after request by Landlord, Tenant shall execute and deliver to Landlord a letter substantially in the form of Exhibit

H hereto confirming (1) the Commencement Date and the expiration of the initial Term, (2) that Tenant has accepted the Premises and (3) that Landlord has performed all of its obligations with respect to the Premises (except for punch-list items specified in such letter); however, the failure of the parties to execute such letter shall not defer the Commencement Date or otherwise invalidate this Lease. Occupancy of the Premises by Tenant prior to the Commencement Date shall be subject to all of the provisions of this Lease excepting only those requiring the payment of Rent.

4. Rent.

4.1 Rent. Rent shall commence with possession. Rent shall be defined as Base Rent and Operating Expense Increases. Rent for each Lease Year shall be due and payable, without further notice, in equal monthly installments on or before the first day of each calendar month, in advance at Landlord's Address for Payment. Should the Commencement Date fall on any day other than the first day of a calendar month, the Initial Installment of Base Rent, payable pursuant to Section 4.6, shall be prorated to that partial calendar month, and the excess of the Initial Installment shall be applied as a credit against the next monthly Rent installment. All other amounts or sums due from Tenant to Landlord under this Lease whether as charges, surcharges, or increases or adjustments from base amounts shall constitute "Additional Rent" hereunder.

4.2 Section deleted.

4.3 Operating Expense Increase.

(a) Tenant shall pay monthly, as Additional Rent, one-twelfth of the Operating Expense Increase for each Expense Increase Year. The Operating Expense Increase shall be computed by subtracting the Operating Expense Base from the Operating Expenses for the Expense Increase Year in question, and multiplying the result by Tenant's Share. Each year, Landlord shall provide Tenant with an estimate of increased Operating Expenses expected to be incurred for the following year.

(b) Upon Tenant request and within one hundred and twenty (120) days following the close of each Expense Increase Year, Landlord shall furnish Tenant with a written statement showing in reasonable detail the Operating Expenses for the last Expense Increase Year and the amount, if any, of Operating Expense Increase remaining due from Tenant for such Expense Increase Year;

(c) If actual Operating Expenses for the last Expense Increase Year exceeded the estimated Operating Expenses, Tenant shall pay the Operating Expense Increase payment within thirty (30) days of demand. If Operating Expenses for the last Expense Increase Year were less than the estimated Operating Expenses, the excess shall be credited on the next Rent payment, or if the Lease has expired or terminated, the amount shall be refunded to Tenant if Tenant is not in default. Under no circumstances shall Tenant be entitled to any refund or credit if actual Operating Expenses are below the Operating Expense Base.

(d) Operating Expense Increase shall be prorated on a daily basis for any Expense Increase Year not wholly falling within the Term.

(e) If the average occupancy level of the Building was less than ninety-five percent (95%) of the total rentable square footage of the Building during the Base Year or any Expense Increase Year, the actual Operating Expenses for the Base Year or Expense Increase Year shall be adjusted to equal Landlord's reasonable estimate of Operating Expenses if ninety-five (95%) of the total rentable square footage of the Building had been occupied.

4.4 Operating Expenses. Operating Expenses shall include costs of operating, servicing, managing, maintaining and repairing the Complex as a firstclass office building in the Mount Pleasant, South Carolina area. Landlord shall provide Tenant with summary of applicable operating expenses for 2016 and 2017. Tenant share of operating expenses shall not exceed 23.19% of Operating expenses and tenant's responsibility will not increase more than 3% per year, for each year of the lease. By way of illustration, Operating Expenses may include: (a) all real and personal property ad valorem taxes and assessments, whether general or special, applicable to the Complex, furniture, fixtures, machinery, apparatus, systems and appurtenances of Landlord used in connection therewith or the operation thereof; (b) all insurance premiums, and deductibles which are actually paid by Landlord for coverage on the

Complex and any easement areas benefiting the Complex; (c) all utility costs and expenses, excluding those utility charges payable by Tenant or other tenants of the Building; (d) janitorial and maintenance expenses; (e) management fees equal to 4% of gross rents (excluding Operating Expenses actually paid to Landlord) paid with respect to the Complex; (f) the market rental value of a management office actually located in the Building or in another building which serves the Building; provided that if such management office serves buildings other than the Building, the market rental value of such management office shall be equitably apportioned to the Building; (g) the amortized costs, including interest, of any capital improvement made to the Building which is required under any governmental law or regulation that was not applicable to the Building at the time of its construction, or of the acquisition and installation of any device or equipment designed to improve the operating efficiency of any system within the Building; (h) all wages, costs or expenses that Landlord pays to or on behalf of employees (not above the level of building manager) to the extent engaged in the operation, maintenance, repair and security of the Complex. (i) legal and accounting costs and expenses; (j) landscaping and grounds maintenance costs and expenses and security service costs and expenses not otherwise included in Operating Expenses; and (k) Costs and expenses of redecorating, painting and carpeting the Common Areas.

4.5 General Provisions Regarding Rent.

(a) Provisions concerning the payment of Rent shall survive the expiration or termination of the Term.

(b) Tenant's payment of Operating Expense Increase shall not be deemed payments of rental as that term is construed in relation to governmental wage and price control or analogous governmental actions now or hereafter affecting the amount of rental which Landlord may charge Tenant. Notwithstanding the foregoing, in the event that such governmental actions or controls prevent the application of all or any part of the provisions of this Section 4 regarding the payment of Operating Expense Increase, Tenant hereby agrees to pay as monthly rent hereunder the monthly Base Rent, including the Operating Expense Base, plus onetwelfth (1/12) of the Operating Expense Increase which was due for the Expense Increase Year preceding the year of the institution of such actions or controls, but in no case to exceed the maximum rent permitted by such actions or controls.

(c) Tenant shall timely pay all taxes and assessments against personal property, furniture and fixtures placed by Tenant in the Premises and Tenant shall also be solely liable for any taxes, including rental, sales and use taxes, assessed directly against Tenant by any governmental authority. Further, and in addition to the Base Rent and Operating Expense Increase, Tenant shall reimburse Landlord, within the thirty (30) days after written demand, for any and all taxes payable by Landlord (other than net income taxes), whether or not now customary or within the contemplation of the parties hereto arising from use or occupancy by Tenant of the Premises or any portion thereof. In the event that it shall not be lawful for Tenant so to reimburse Landlord, the monthly Base Rent payable to Landlord under this Lease shall, to the maximum extent permitted by law, be revised to net Landlord the same Base Rent after the imposition of any such tax upon Landlord as would have been payable to Landlord prior to the imposition of any such tax. "Real Estate Taxes" shall not include any of the following: penalties or interest paid by the Landlord on account of taxes; or income taxes, estate taxes, inheritance taxes or any other tax based upon the net income of Landlord, transfer taxes or recordation taxes. "Real Estate Taxes" shall also not include any taxes levied on other property owned by Landlord, including any tax lots other than the tax lot upon which the Project is located.

(d) Operating Expense Increase and each and every other charge, fee, cost or expense which Tenant is obligated or liable to pay to, refund to or reimburse Landlord shall, for the purposes of the default provisions of this Lease, be deemed Additional Rent due from Tenant, and Tenant's failure to so pay, refund or reimburse, when due shall entitle Landlord to all the remedies provided for herein and at law or in equity on account of failure to pay Rent.

(e) No payment by Tenant or receipt by Landlord of a lesser amount than the monthly installment of Base Rent or any other component of Rent due hereunder, nor shall any endorsement or statement on any check or any letter accompanying any check or payment of Rent (or any portion thereof), be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such Rent or to pursue any other remedy provided in this Lease or under applicable law. No such acceptance of an installment or partial payment shall be deemed or considered to be a liquidation or satisfaction of

damages suffered by Landlord as a consequence of Tenant's breach or nonpayment.

(f) Delay by Landlord in providing Tenant with any statements regarding Operating Expense Increase, Additional Rent, or reimbursement for taxes in accordance with Section 4.5(c) shall not relieve Tenant from the obligation to pay any such sums upon the rendering of such statements.

(g) **Exceptionally High Inflation.** If the Consumer Price Index (CPI) as measured by the U.S. Department of Labor exceeds 10% for any calendar year the Landlord may elect to require payments in other than U.S. dollars and in a currency mutually agreed on between Tenant and Landlord. A 30 day written notice must be provided by Landlord to Tenant detailing the new currency to be used. The effective date for the exchange rate calculation will be the due date of the next payment and will be pegged to the rate for that currency as published by the Wall Street Journal.

4.6 Initial Installment. Simultaneously with the execution of this Lease, Tenant shall pay to Landlord the Initial Installment, to be applied to the first monthly installment(s) of Base Rent as they become due. If Tenant fails to take possession of the Premises, such sum shall be retained by Landlord for application in reduction, but not in satisfaction, of damages for Tenant's default.

4.7 Security Deposit. Contemporaneously with the execution of this Lease, Tenant shall pay to Landlord the Security Deposit, which shall be held by Landlord to secure Tenant's performance of its obligations under this Lease. The Security Deposit is not an advance payment of Rent or a measure or limit of Landlord's damages upon an Event of Default (as defined herein). Landlord may, from time to time following an Event of Default and without prejudice to any other remedy, use all or a part of the Security Deposit to perform any obligation Tenant fails to perform hereunder. Following any such application of the Security Deposit, Tenant shall pay to Landlord on demand the amount so applied in order to restore the Security Deposit to its original amount. Subject to the requirements of, and conditions imposed by, Laws applicable to security deposits under commercial leases, Landlord shall, within the time required by applicable Law, return to Tenant the portion of the Security Deposit remaining after deducting all damages, charges and other amounts permitted by Law. Landlord and Tenant agree that such deductions shall include, without limitation, all damages and losses that Landlord has suffered or that Landlord reasonably estimates that it will suffer as a result of any breach of this Lease by Tenant. The Security Deposit may be commingled with other funds, and no interest shall be paid thereon. If Landlord transfers its interest in the Premises, Landlord may assign the Security Deposit to the transferee and, upon such transfer and the delivery to Tenant of an acknowledgement of the transferee's responsibility for the Security Deposit as provided by Law, Landlord thereafter shall have no further liability for the return of the Security Deposit.

4.8 Late Charges. If any monthly installment of Rent or Additional Rent is not received by Landlord on or before the date due, or if any payment due Landlord by Tenant which does not have a scheduled due date is not received by Landlord on or before the fifth (5th) business day following the date Tenant receives an invoice for such payment, a late charge in an amount equal to the greater of \$100, or five percent (5%) percent of such past due amount shall be immediately due and payable as Additional Rent and interest shall accrue from the date past due until paid in an amount equal to the lesser of eighteen percent (18%) per annum or the highest rate permitted by applicable law (the "Interest Rate").

5. Construction, Alteration, Maintenance and Repair.

5.1 Building Allowance and Tenant Finishes. The initial improvements to the Premises, if any, shall be governed by the Work Letter attached hereto as Exhibit D, which shall control in the event of a conflict with any of the other provisions of this Lease.

5.2 Repairs By Landlord. Landlord shall maintain in firstclass condition the exterior walls, roof, Common Areas, foundation, structural portions and the central portions of the Building's mechanical, electrical, plumbing and central distribution HVAC systems, (the "Central Building Systems"), provided such repairs are not occasioned by Tenant, Tenant's invitees or anyone in the employ or control of Tenant. Landlord shall not be required, after possession of the Premises has been delivered to Tenant, to make any repairs or improvements to the Premises, except as set forth in this Lease unless such repairs are necessitated by the gross negligence or intentional misconduct of Landlord, its agents, representatives or employees.

5.3 Repairs By Tenant. Tenant shall, at its own cost and expense, maintain the Premises and any mechanical, electrical, plumbing and HVAC systems installed for Tenant's use or on its behalf, in firstclass condition, including making all necessary repairs and replacements for which Landlord has not been reimbursed by applicable insurance coverage. Tenant shall also repair or restore any damage or injury to all or any part of the Building, the Complex or the Common Areas caused by Tenant or Tenant's agents, employees, invitees, visitors or contractors, including but not limited to any repairs or replacements necessitated by (i) the construction or installation of improvements to the Premises by or on behalf of Tenant, other than the initial Tenant improvements constructed pursuant to the Work Letter, and (ii) the moving of any property into or out of the Premises. Tenant's responsibility for all mechanical, electrical, plumbing and HVAC systems shall be for maintenance purposes only, and only such maintenance as will be provided by standard maintenance contract to be acquired by Tenant at Tenant's expense. Tenant shall not be responsible for any system failure, except when as a result of Tenant's access to HVAC controls, nor shall Tenant be responsible for any exterior repairs to the structure or utility delivery systems.

5.4 Alterations and Improvements. Tenant shall not make alterations or improvements to the Premises without first obtaining in writing, Landlord's consent, which consent shall not be unreasonably withheld or delayed. Without Landlord's consent, Tenant may perform decorative changes such as painting, or relocation or removal of modular furniture which can be removed without damage, require no wall or roof penetration, are not visible from outside the Building, comply with all applicable governmental regulations and insurance requirements, and such other reasonable terms and conditions as Landlord may require. Upon Landlord's request, Tenant will furnish Landlord plans and specifications for any proposed alterations, or improvements and shall reimburse Landlord for its actual reasonable cost to review such plans. All costs of any such alterations, additions or improvements shall be borne by Tenant. Alterations, improvements shall, at the option and discretion of the Landlord, become the property of Landlord at the end of the Lease. However, Landlord may require Tenant to remove any alterations, or improvements to restore the Premises to the condition existing on the Commencement Date. Tenant shall indemnify and hold Landlord harmless from claims for damages or arising from performance of any such alterations, or improvements.

5.5 Performance of Maintenance, Repairs, Alterations and Improvements. Tenant shall keep the Premises in good condition and repair, normal wear and tear and loss by fire or casualty excepted. All maintenance, repairs, alterations, additions or improvements performed by Tenant shall (a) be made in a good, firstclass, workmanlike manner, (b) be performed in such a manner as to maintain harmonious labor relations, (c) not adversely affect the safety of the Complex, the Building or the Premises or the systems thereof and not affect the Central Building Systems (all HVAC, mechanical, electrical, plumbing, and structural systems serving all of the Building and/or common areas including tenant spaces on a nonexclusive basis) (d) comply with all codes and governmental requirements, (e) not result in any usage in water, electricity, gas or other utilities or of heating, ventilating or air conditioning (either during or after such work) in excess of the capacities Landlord is generally obligated to provide to the Premises, unless prior written arrangements satisfactory to Landlord are made with respect thereto and (f) be made in a manner that does not disturb other tenants (i.e., any loud work must be performed during nonbusiness hours). In the event any maintenance, repairs, alterations, additions or improvements are to be performed by contractors or workmen other than Landlord's contractors or workmen, any such contractors or workmen must first be approved, in writing, by Landlord and Tenant shall be required to maintain liability and builder's use insurance with such coverage limits and from such carriers as are acceptable and approved by Landlord in its reasonable discretion, including the provision of insurance certificates evidencing coverage as required hereunder. Landlord, at Tenant's expense, shall have the right to perform or cause to be performed by Landlord's contractors or workmen all maintenance, repairs, alterations, additions or improvements Tenant is required or authorized to perform under this Lease, and the costs and expenses related thereto together with a five percent (5%) management fee shall be charged to Tenant as Additional Rent and shall become due and payable by Tenant within thirty (30) days of written invoice which notice shall include a reasonably detailed invoice detailing line item expenditures.. Landlord agrees to assign to Tenant any rights it may have against the contractor of the Premises with respect to any work performed by said contractor in connection with any such work performed by Landlord or at the request of Landlord on behalf of Tenant. Landlord shall incur no expenses chargeable to the Tenant under the terms and conditions of this section without prior notice of at least Ten (10) days to Tenant of claimed repairs / maintenance which in the opinion of the Landlord is needed.

6. **Surrender of Premises.** Tenant shall at Termination or expiration of the Lease surrender the Premises and the keys thereto to Landlord in broom clean condition, casualty damage and normal wear and tear accepted. Any property not promptly removed by Tenant shall be deemed abandoned by Tenant, and title shall pass to Landlord.

7. **Services.**

7.1 **Building Services.** Tenant and Tenant's employees, visitors, and customers shall have the use of the leased space 24 hours a day, 365 days a year.

(a) Elevator service for passengers on a twentyfour hour basis and delivery needs during normal business hours or as otherwise arranged and approved by Landlord;

(b) Building standard heating and air conditioning in accordance with the following specifications: maintain the temperature in the Premises at not less than 72 degrees Fahrenheit at ± 15 degrees Fahrenheit outside for heating based upon a "drybulb" measurement in the winter, and not more than 76 degrees Fahrenheit based upon a "drybulb" measurement at 95 degrees Fahrenheit outside in the summer for an occupancy of one (1) person per 150 square feet;

(1) Tenant shall provide two (2) individuals to be trained on operating the controls for the HVAC for the Building. These two individuals are the only persons allowed to access the HVAC system controls. Tenant is permitted to adjust temperature settings to the same settings as 7.1(b) during non-business hours. Tenant acknowledges that HVAC controls, if improperly operated, may adversely affect other tenants in the Building. If Tenant improperly inputs HVAC controls, Landlord may revoke permissions to use HVAC system.

(c) Hot and cold running water for all rest rooms and lavatories on a twentyfour hour basis;

(d) Soap, paper towels, and toilet tissue for public rest rooms;

(e) Janitorial service, which includes sanitizing, dusting, cleaning, mopping, vacuuming and removal of trash not requiring special handling, Monday through Friday;

(g) Electric power for lighting and outlets not in excess of a total of 5 watts per rentable square foot of the Premises at 100% connected load on a twentyfour hour basis; and

(h) Replacement of Building standard lamps and ballasts as needed.

7.2 **Section Deleted.**

7.3 **Interruption of Services.** Landlord shall not be liable for any damages resulting from interruption in services described above, and Tenant shall not be relieved of any of its duties or obligations hereunder including but not limited to the payment of Rent, as a consequence of a failure to provide or an interruption of service. Such failure or delay shall not constitute actual or constructive eviction of Tenant or operate to relieve Tenant from the prompt and punctual performance of each and all of the covenants to be performed herein by Tenant. Landlord shall also not be liable to Tenant for damage to person or property caused by defects in, or repairs to the cooling, heating, electric, water, elevator or other apparatus or systems or by water discharge from sprinkler systems, if any, in the Building. Landlord shall be excused from performance hereunder as provided pursuant to Section 12.20 hereof. Notwithstanding anything to the contrary contained in this Lease, if Tenant cannot reasonably use any portion of the Premises for Tenant's intended business operations by reason of any interruption in utilities to be provided by Landlord due to the gross negligence or willful misconduct of Landlord (and Tenant does not in fact use such portion of the Premises), and such condition exists for five (5) consecutive business days, then Tenant's Monthly Base Rent shall be equitably abated for that portion of the Premises that Tenant is unable to use for Tenant's intended business operations until such service is restored to the Premises. Tenant shall not, however, be entitled to any abatement of Monthly Base Rent if the interruption or abatement in utility service or the failure

by Landlord to furnish such utilities is the result of force majeure or is the result of an interruption or abatement in service of a public utility for any reason other than Landlord's failure to pay for such service. At the time of the loss of utility service, Tenant must give prompt written notice to Landlord of the loss of utility service and Tenant shall only be entitled to abatement of rent in proportion to the area of the Premises rendered unusable for Tenant's intended business operations. Landlord may prevent or stop abatement by providing substantially the same or similar utility service in similar quality and quantity by temporary or alternative means until the cause of the loss of utility service is corrected.

7.4 Electrical Service. Without Landlord's prior written consent, Tenant shall not use any equipment, which uses electric current in excess of 110 volts, which will increase the amount of electricity ordinarily furnished for use of the Premises as general office space or which require clean circuits or other special distribution circuits. If Tenant requires additional 110 volt electrical power beyond that supplied by Landlord as provided above, electric current in excess of 110 volts, or other special power requirements or circuits, then Tenant may request Landlord to provide such supplemental power to the Premises, which request Landlord may grant, condition, or withhold in its reasonable discretion. If Landlord furnishes such power or circuits, Tenant shall pay Landlord, on demand, all cost of the design, installation, and maintenance of the facilities required to provide such additional or special electric power or circuits and cost of all electric currents so provided at a rate not to exceed that which would be charged by the power company providing electric service to the Building, or its successor, if Tenant were a direct customer thereof.

8. Use and Occupancy of the Premises.

8.1 Permitted Use. Tenant shall use and occupy the Premises only for the Permitted Use. The Premises shall not be used for any illegal purpose, nor in violation of any valid laws, ordinances, rules or regulations of any governmental body, nor in any manner to create any nuisance or trespass, nor in any manner to vitiate the insurance or increase the rate of insurance on the Premises or the Building, nor in any manner inconsistent with the firstclass nature of the Building.

8.2 Signs. Tenant shall obtain the written approval of Landlord, not to be unreasonably withheld, for any sign, advertising matter, or other material visible from the exterior of the Premises. Exterior and elevator lobby signs shall conform to Landlord's uniform building sign specifications, and Landlord shall provide and install same at Tenant's cost and expense.

8.3 Hazardous Materials.

(a) Tenant hereby covenants that, from and after the date hereof and thereafter during the Term except for ordinary cleaning and office supplies in quantities used in normal office environments and used and stored on the Premises by Tenant in the ordinary course of its business in full compliance with all governmental rules and regulations (i.e., cleaning solvents, toner, ink etc.), Tenant shall not cause or permit any "Hazardous Substances" (as hereinafter defined) to be placed, held, located or disposed of in or about the Premises or the Complex or any part of either and that neither the Premises nor the Complex, nor any part of either, shall ever be used by Tenant or persons claiming under Tenant as a storage site (whether permanent or temporary) for any Hazardous Substances. For purposes of this Section 8.3, "Hazardous Substances" shall mean and include those elements or compounds which are contained in the list of hazardous substances adopted by the United States Environmental Protection Agency (EPA) or the list of toxic pollutants designated by Congress or the EPA or which are defined as hazardous, toxic, pollutant, infectious or radioactive by any other federal, state or local statute, law, ordinance, code, rule, regulation, order or decree regulating, relating to or imposing liability (including, without limitation, strict liability) or standards of conduct concerning, any hazardous, toxic or dangerous waste, substance or material, as now or at any time hereafter in effect (collectively "Environmental Laws").

(b) Tenant hereby agrees to comply with all Environmental Laws with regard to its use and occupancy of the Premises and to indemnify Landlord and hold Landlord harmless from and against any and all losses, liabilities, including strict liability, damages, injuries, expenses, including reasonable attorneys' fees, costs of any settlement or judgment and claims of any and every kind whatsoever paid, incurred or suffered by, or asserted against, Landlord by any person, entity or governmental agency for, with respect to, or as direct or indirect result of Tenant's failure to comply with the provisions of Subsection 8.3(a) of this Lease and applicable

Environmental Laws in connection with its use and occupancy of the Premises or the presence in, or the escape, leakage, spillage, discharge, emission, or release from, the Premises of any Hazardous Substance (including, without limitation, any losses, liabilities, including strict liability, damages, injuries, expenses, including reasonable attorneys' fees, costs of any settlement or judgment or claims asserted or arising under the Comprehensive Environmental Response, Compensation and Liability Act, any so-called federal, State or local "Superfund" or "Superlien" laws or any other Environmental Laws); provided, however, that the foregoing indemnity is limited to matters arising solely from Tenant's violation of the covenant contained in Subsection 8.3(a) above, and shall not cover any such liability to the extent caused by the acts of Landlord, Landlord's employees or agents, or other tenants of the Building.

(c) In the event Landlord suspects, in its reasonable opinion, that Tenant has violated any of the covenants contained in this Section 8.3 or that the Premises or Complex are not in compliance with the Environmental Laws for any reason as to which Tenant is responsible hereunder, or that the Premises or Complex are not free of Hazardous Substances for any reasons as to which Tenant is responsible hereunder, Tenant shall take such steps as Landlord requires by written notice to Tenant in order to confirm or deny such occurrences, including without limitation, the preparation of environmental studies, audits, surveys or reports. In the event that Tenant fails to take such action, Landlord may take such action and shall have such access to the Premises as Landlord deems necessary and the costs and expenses of all such actions taken by Landlord, including, without limitation, Landlord's attorneys' fees, shall be due and payable by Tenant within thirty (30) days of receipt of written invoice from Landlord as Additional Rent hereunder. If any lender or governmental agency shall ever require testing to ascertain whether or not there has been any release of Hazardous Substances within the Premises, Building, and/or Complex as a result of Tenant failing to comply with the covenants contained in this Subsection 8.3, then the reasonable costs thereof shall be reimbursed by Tenant to Landlord upon demand as Additional Rent if any Hazardous Substances are determined by Landlord to exist or be present. In addition, Tenant shall execute affidavits, representations and the like from time to time at Landlord's request concerning Tenant's best knowledge and belief concerning the presence of Hazardous Substances in, on or about the Premises. Further, Landlord reserves the right at any time and from time to time to enter the Premises following reasonable advance notice thereof to Tenant (except in cases of emergency) in order to perform periodic environmental studies, audits, surveys and reports and in order to determine whether Tenant is in compliance with the terms of this Section 8.3.

8.4. Entering Premises. Landlord may enter the Premises at reasonable hours provided that Landlord's entry shall not unreasonably interrupt Tenant's business operations and that prior notice is given (and, if in the opinion of Landlord any emergency exists, at any time and without notice): (a) to make repairs which Landlord is obligated or authorized to make to the Premises or the Building pursuant to the terms of this Lease or to the other premises within the Building pursuant to the leases of other tenants; (b) to inspect the Premises to see that Tenant is complying with all of the terms and conditions hereof and with the rules and regulations hereof; (c) to perform tests or conduct surveys; (d) to remove from the Premises any articles or signs kept or exhibited therein in violation of the terms hereof; and (e) to exercise any other right or perform any other obligation that Landlord has under this Lease. All such repairs, decorations, additions and improvements shall be done during ordinary business hours so long such repairs, decorations, additions and improvements do not interrupt Tenant's business operations, if any such work is at the request of Tenant to be done during any other hours, the Tenant shall pay all overtime and other extra costs. Upon such request, Landlord shall submit to Tenant a written proposal for any after hours work.

9. Tenant's Insurance; Waivers and Indemnities.

9.1 Insurance Coverage. Tenant will maintain following types of insurance, in the amounts specified and in the form hereinafter provided for:

(a) Commercial General Liability insurance covering the Premises, written on an occurrence basis, to be in combined single limits amounts not less than \$3,000,000 and to have general aggregate limits of not less than \$3,000,000.

(b) Full replacement value insurance covering Tenant's leasehold improvements, any equipment maintained by Tenant under this Lease, trade fixtures, and personal property, with "allrisks" fire and casualty insurance coverage, together with insurance against sprinkler damage, vandalism and malicious mischief.

(c) Workers' Compensation insurance at statutory coverage and containing statutory limits with the Employer's Liability portion thereof to have minimum limits of \$500,000.00.

(d) Business interruption insurance to cover all fixed expenses, such as Base Rent, Operating Expense Increases, and Additional Rent.

(e) Other insurance or endorsements reasonably required by Landlord, or any mortgagees or lessors of Landlord.

9.2 Insurance Policy Requirements. All policies of the insurance provided for in this Section 9 shall be issued in form reasonably acceptable to Landlord by insurance companies with a rating and financial size of not less than current Best's AVIII, and licensed to do business in the state in which Landlord's Building is located. Each and every such policy:

(a) shall name Landlord as an additional insured (as well as any mortgagee of Landlord) and the coverage in Section 9.1 (b), (d) and (e) shall also name Landlord as loss payee;

(b) shall (or a certificate, if acceptable to Landlord), be delivered to Landlord and its mortgage, if any, on delivery of possession of the Premises to Tenant and replaced within thirty (30) days of expiration of each policy;

(c) shall contain a provision that the insurer will give to Landlord, any ground lessor, and Holder (as hereinafter defined) at least thirty (30) days prior written notice of any material change, cancellation, termination or lapse, or the effective date of any reduction in the amounts of insurance; and

(d) shall be written as a primary policy which does not contribute to and is not in excess of coverage which Landlord may carry.

9.3 Blanket Insurance Policies. Any insurance provided for in this Section 9 may be maintained by means of a policy or policies of blanket insurance, covering additional items or locations or insureds, provided, however, that:

(a) Landlord and any other parties in interest from time to time designated by Landlord to Tenant shall be named as an additional insured thereunder as their interests may appear;

(b) the coverage afforded Landlord and any such other parties in interest will not be reduced or diminished by reason of the use of such blanket policy of insurance;

(c) any such policy or policies shall specify therein (or Tenant shall furnish Landlord with a written statement from the insurers under such policy specifying) the amount of the total insurance allocated to the Tenant's improvements and property; and

(d) the requirements set forth in this Section 9 are otherwise satisfied.

9.4 Waivers. Landlord and Tenant waive all claims against one another for damage to or destruction of real or personal property to the extent such damage or destruction can be covered by "all risks" property insurance of the type described in Section 9.1(b) above. Each party shall also be responsible for the payment of any deductible amounts required to be paid under the applicable "all risks" fire and casualty insurance carried by the party whose property is damaged. These waivers shall apply if the damage would have been covered by "all risks" insurance, even if the party fails to obtain such coverage. The intent of this provision is that each party shall look solely to its insurance for damage or destruction, which can be covered, by "all risks" insurance. Landlord and Tenant shall provide copies of these waivers to their insurance carriers to require the carriers to waive all rights of subrogation against the other party to property damage covered by the applicable "all risks" fire and casualty insurance policy.

9.5 Indemnities. Tenant and Landlord shall indemnify and save harmless each other against all claims for damages to persons or property including costs and fees, which are caused anywhere in the Premises, the Building or the Common Areas arising from or related to acts of the other, except if damage is caused by gross negligence or willful misconduct of the

other. The provisions of this Section 9.5 shall survive the termination of this Lease with respect to any damage, injury or death occurring before such termination.

10. Default and Remedies.

10.1 Default. If Tenant shall:

- (a) fail to pay any Rent for more than five (5) days from the date when due, which shall be the first day of each month, and shall not cure such failure within five (5) days of written notice from Landlord. Provided, however, Landlord shall only be required to provide written notice once in any calendar year, up to a maximum of three (3) occasions during the initial term of the Lease; or
- (b) fail to perform any terms of this Lease other than Rent payment, and shall not cure such failure within thirty (30) days after written notice is given to Tenant by Landlord; or
- (c) be adjudicated a bankrupt; or
- (d) have a receiver appointed for Tenant's property and such receiver is not removed within sixty (60) days after written notice from Landlord to Tenant to obtain such removal; or
- (e) whether voluntarily or involuntarily, take advantage of any debtor relief proceedings under any present or future law, whereby the Rent or any part thereof, is, or is proposed to be, reduced or payment thereof deferred; or
- (f) have its effects levied upon or attached under process against Tenant, not satisfied or dissolved within thirty (30) days after written notice from Landlord to Tenant to obtain satisfaction thereof; or,
- (g) fail to promptly pay persons furnishing labor or materials for Tenant's work on the Premises or fail to discharge of record by payment or bonding within twenty (20) days following the date Tenant receives actual notice of any mechanic's or materialmen's lien filed against the Premises, the Building or the Complex for work or materials claimed to have been furnished to or on behalf of Tenant; then, and in any of said events, (each a "default") Landlord, at its option, may exercise the remedies set forth in Section 10.2 below.

10.2. Remedies. Upon the occurrence of any default set forth in Section 10.1 above which is not cured by Tenant within any applicable cure period, Landlord may exercise all or any of the following remedies:

- (a) Terminate this Lease by giving Tenant written notice of termination, in which event this Lease shall terminate on the date specified in such notice and all rights of Tenant under this Lease shall expire and terminate as of such date, Tenant shall remain liable for all obligations under this Lease up to the date of such termination and Tenant shall surrender the Premises to Landlord on the date specified in such notice, and if Tenant fails to so surrender, Landlord shall have the right, without notice, to enter upon and take possession of the Premises and to expel and remove Tenant and its effects without being liable for prosecution or any claim of damages therefor;
- (b) Terminate this Lease as provided in the immediately preceding subsection and recover from Tenant all damages Landlord may incur by reason of Tenant's default, including without limitation, the then present value (using a discount rate of the lower of the prime rate published in the Wall Street Journal immediately prior to such default, or the rate of interest then payable on currently issued United States Treasury Bills or Notes having a maturity closest to the scheduled Expiration Date of the Term) of (i) the total Rent which would have been payable hereunder by Tenant for the period beginning with the day following the date of such termination and ending with the Expiration Date of the current Term (or any extended Term if Tenant shall have exercised an extension option), minus (ii) the aggregate reasonable rental value of the Premises for the same period, plus (iii) the costs of recovering the Premises, and all other expenses incurred by Landlord due to Tenant's default, including without limitation, reasonable attorneys' fees, plus (iv) the unpaid Rent earned as of the date of termination, plus interest, all of which sum shall be immediately due and payable by Tenant to Landlord. In determining the aggregate reasonable rental value pursuant to item (ii) above, the parties hereby agree that all relevant factors

shall be considered as of the time Landlord seeks to enforce such remedy, including, but not limited to, (A) the length of time remaining in the then current Term, (B) the then current market conditions in the general area in which the Building is located, (C) the likelihood of reletting the Premises for a period of time equal to the remainder of the current Term, (D) the net effective rental rates (taking into account all concessions) then being obtained for space of similar type and size in similar type buildings in the general area in which the Building is located, (E) the vacancy levels in comparable quality buildings in the general area in which the Building is located, and (F) current levels of new construction that will be completed during the remainder of the current Term and the degree to which such new construction will likely affect vacancy rates and rental rates in comparable quality buildings in the general area in which the Building is located. Tenant agrees to pay the aforesaid amount at once, together with all Rent and all charges and assessments theretofore due to Landlord;

(c) Without terminating this Lease, declare immediately due and payable the present value (using a discount rate of the lower of (i) five percent (5%) per annum or (ii) the rate of interest then payable on currently issued United States Treasury Bills or Notes having a maturity closest to the scheduled Expiration Date of the Term) of all Rent due under this Lease for the entire remaining current Term of this Lease, together with the costs of recovering and reletting the Premises and all other expenses incurred by Landlord in connection with Tenant's default, plus the unpaid Rent earned as of the date of termination, plus interest thereon; and Landlord may immediately proceed to distrain, collect, or bring action for such sum, or may file a proof of claim in any bankruptcy or insolvency proceedings to enforce payment thereof; provided, however, that such payment shall not be deemed a penalty or liquidated damages, but shall merely constitute payment in advance of all Rent payable hereunder throughout the current Term, and provided further, however, that upon Landlord receiving such payment, Tenant shall be entitled either to remain in possession of the Premises or to receive from Landlord all rents received by Landlord from other assignees, tenants and subtenants on account of said Premises during the remainder of the current Term (provided that the monies to which Tenant shall so become entitled shall in no event exceed the entire amount actually paid by Tenant to Landlord pursuant to this item (c)), less all costs, expenses and attorneys' fees of Landlord incurred in connection with the reletting of the Premises;

(d) Without terminating this Lease, and without notice to Tenant, Landlord may in its own name, but as agent for Tenant enter into and take possession of the Premises and relet the Premises, or a portion thereof, as agent of Tenant, upon any terms and conditions as Landlord may deem necessary or desirable (but Landlord shall have no obligation to attempt to relet the Premises or any part thereof). Upon any such reletting, all rentals received by Landlord from such reletting shall be applied first to the costs incurred by Landlord in accomplishing any such reletting, and thereafter shall be applied to the Rent owed by Tenant to Landlord during the remainder of the term of this Lease and Tenant shall pay any deficiency between the remaining Rent due hereunder and the amount received by such reletting as and when due hereunder;

(e) Nothing contained herein shall relieve Landlord of Landlord's obligation to re-let the premises on commercially reasonable terms through a commercially reasonable marketing effort in the event of default by the Tenant.

(f) Pursue such other remedies as are set forth in this Lease or are available at law or in equity; or

(g) If Landlord exercises any of the remedies set forth in Section 10.2, in addition to all other costs and expenses Landlord shall be entitled to recover under this Lease, Landlord shall also be entitled to recover:

- (i) the cost of performing any other covenants which would have otherwise been performed by Tenant;
- (ii) the amount of any rental abatement, free rent, or other rental concession provided by Landlord to Tenant; provided, however, that in no event shall Tenant's liability hereunder exceed the total of all Rent due under this Lease or that would be due but for Landlord's allowance or such rental abatement, free rent, or rental concession;
- (iii) all sums expended by Landlord, and not previously reimbursed to Landlord by Tenant, in connection with improving or repairing the

Premises to Tenant's specifications; and

- (iv) all costs and expenses incurred by Landlord in connection with the termination of this Lease and eviction of Tenant.

11. Destruction or Damage; Condemnation.

11.1 Destruction or Damage. If the Building or the Premises are (i) totally destroyed by casualty, (ii) damaged or destroyed by any casualty to the extent that in Landlord's reasonable judgment, repair of such damage or destruction would not be economically feasible, or (iii) damaged to the extent that, in the reasonable opinion of Landlord and Landlord's architect the damage cannot be restored within forty-five (45) days of the date the damage occurred, or if the damage is not covered by standard "all risks" property insurance, or if the Landlord's lender requires that the insurance proceeds be applied to its loan, Landlord or Tenant shall have the right to terminate this Lease effective as of the date of such destruction or damage by written notice on or before thirty (30) days following the date of such damage and Rent shall be abated as of the date of such casualty. Landlord shall not be liable to Tenant for inconvenience, loss of profits, expenses or other damage resulting from the repair of any such damage or from any repair, modification, arranging or rearranging of any portion of the Premises or any part or all of the Building or for termination of the Lease as provided above. Tenant assumes the risk of any and all damage to its personal property in or on the Premises and from any casualty whatsoever. If the Premises are damaged by any such casualty or casualties but Landlord is not entitled to or does not terminate this Lease as provided above, this Lease shall remain in full force and effect, Landlord shall notify Tenant in writing within thirty (30) days of the date of the damage that the damage will be restored (and will include Landlord's good faith estimate of the date the restoration will be complete), in which case Rent shall abate from the date of such casualty as to any portion of the Premises which is not usable, and Landlord shall restore the Premises to substantially the same condition as before the damage occurred as soon as practicable, whereupon full Rent shall recommence. Notwithstanding the requirements concerning insurance contained herein or in the Lease, Landlord shall be under no obligation, nor shall any such obligation be implied, to repair, reconstruct, rebuild, or otherwise recreate the Premises or the Building in the event of damage or destruction, except and as expressly limited to the actual amount of insurance proceeds actually received by Landlord with respect to any covered loss, and except as may be limited by any requirement of a mortgagee of the Landlord that insurance proceeds be applied to any outstanding loans or other indebtedness of the Landlord.

11.2 Condemnation. If the whole of the Complex, the Building or the Premises, or such portion thereof as will make the Complex, the Building or the Premises unusable for the purposes contemplated hereby in the reasonable judgment of Landlord for their intended purposes, is condemned or taken by any legally constituted authority for any public or quasipublic use or purpose, or by private purchase in lieu thereof, then in either of said events, Landlord may terminate this Lease by written notice to Tenant and the Term hereby granted shall cease from that time when possession thereof is taken by the condemning authorities, and Rent shall be accounted for as between Landlord and Tenant as of that date. If a portion of the Building or Premises is so taken, but not such amount as will make the Premises unusable in the reasonable judgment of Landlord for the purposes herein leased, or if Landlord elects not to terminate this Lease, this Lease shall continue in full force and effect and the Rent shall be reduced pro rata in proportion to the amount of the Premises so taken. Tenant shall have no right or claim to any part of any award made to or received by Landlord for such condemnation or taking, and all awards for such condemnation or taking shall be made solely to Landlord, provided, however, nothing herein shall prevent Tenant from obtaining an expense award that does not diminish Landlord's award.

12. Additional Provisions.

12.1 Service of Notice. From and after the Commencement Date, and except as otherwise provided by law, notices required or permitted to be given to Tenant under this Lease shall be sent to Tenant's Address for Notice set forth in Section 1.28. Notices to Landlord shall be sent to Landlord's Address for Notice as set forth in Section 1.11. All notices given hereunder may be given by certified mail, hand delivery or by surface or air express courier service and shall be deemed given when received. The time period for any response to such notice shall begin to run upon actual receipt or when delivery is refused or cannot be accomplished because the party has moved and has not provided the other party with notice of its new address by notice as provided herein.

12.2. Mortgagee's Rights.

(a) This Lease may be made subject and subordinate to (i) any mortgage or other security interest which may hereafter encumber the Building and to all advances which may be made thereunder, (ii) any assignment of Landlord's interest in the leases and rents from the Building; and (iii) any Uniform Commercial Code Financing Statement covering the personal property rights of Landlord "Security Documents". Tenant agrees upon request of the holder of any Security Documents ("Holder") to hereafter execute documents reasonably necessary to evidence the subordination of the Lease to the Security Documents, either in the form requested or substantially in the form attached hereto as Exhibit I.

(b) After any foreclosure under a Security Document, Tenant shall at the election of the Landlord, thereafter remain bound pursuant to the terms of this Lease and Tenant shall attorn to the Purchaser without the execution of any further instrument on the part of any of the parties hereto. Tenant agrees, however, to execute and deliver at any time and from time to time, upon the request of Landlord or of Holder, any instrument or certificate that may be necessary or appropriate in any such foreclosure proceeding or otherwise to evidence such attornment.

(c) If the interest of Landlord hereunder is covered by an assignment of Landlord's interest in Lease, Tenant shall pay all Rent due and payable under the Lease directly to the Holder of the assignment upon notification of Holder's exercise of its rights.

12.3 Governmental Regulations.

(a) Tenant shall comply with all requirements of governmental or public authority.

(b) If Landlord shall be required by any governmental authority to repair, alter, remove, construct, reconstruct, or improve any part or all of the Premises or the Building, such action shall be performed by Landlord but shall in no way affect Tenant's obligations under this Lease. Tenant waives all claim for injury, damage or abatement of Rent because of such work; provided, however, that if such action by Landlord renders the Premises untenantable, and if Landlord cannot reasonably complete such acts within one hundred eighty (180) days after notice to it to perform such acts by the governmental authority, either Landlord or Tenant, by written notice to the other delivered not later than seventy (70) days after the date of notice to Landlord by such governmental authority, may terminate this Lease, in which event Rent shall be apportioned and paid up to and including the date the Premises become untenantable if terminated by Landlord, but up to and including the date of termination if terminated by Tenant.

(c) Subsequent to the Commencement Date and the issuance of a Certificate of Occupancy from the appropriate governing body having jurisdiction over the Premises certifying compliance of the Premises with applicable laws and codes, Tenant shall, at Tenant's sole cost and expense but subject to Landlord's reasonable prior written approval, make alterations or additions to the Premises required to bring the Premises into compliance with the Americans with Disabilities Act (42 U.S.C. § 12101 et. seq.) and its regulations ("ADA Requirements") effective from time to time during the Term, and any period of holding over by Tenant if:

(i) The requirement for such alteration or addition arises as a result of:

- (1) any alteration or addition by Tenant; or
- (2) any violation by Tenant of any ADA Requirements; or
- (3) a special use of the Premises or any part thereof by Tenant or any assignee or subtenant of Tenant or any employee, officer, director, member, manager, invitee or guest (including, but not limited to, use for a facility which constitutes a "place of public accommodation" under the ADA Requirements); or
- (4) the special needs of the employee(s) of Tenant or any assignee or subtenant of Tenant; or

(ii) the ADA Requirements would otherwise make Tenant, rather than Landlord,

primarily responsible for making such alteration or addition.

12.4 Abandonment of Premises. Tenant agrees not to abandon or vacate the Premises during the Term of the Lease without continuing all other obligations hereunder and taking whatever action necessary to protect the Premises from damage or deterioration beyond normal wear and tear if the Premises had not been abandoned or vacated.

12.5 Assignment and Subletting.

(a) Tenant shall not, without prior written consent of Landlord, assign, or otherwise transfer this Lease or sublet the Premises or any part thereof. Tenant agrees to pay to Landlord as Additional Rent, on demand, a Five Hundred Dollar (\$500.00) administrative processing fee in connection with any request by Tenant for consent to a proposed assignment or subletting and, in addition, reasonable outofpocket costs incurred by Landlord (including without limitation, reasonable attorneys' fees) in connection with any request by Tenant for Landlord to consent to any assignment or subletting by Tenant. No sublease or assignment by Tenant shall relieve Tenant of any liability hereunder.

(b) Unless the successor entity shall be of the same or greater net worth and credit standing than Tenant and any guarantor of Tenant at the time this Lease is executed, the sale, transfer, merger, consolidation, reorganization or other change in the assets or structure of Tenant shall be deemed an assignment hereunder; provided, however, upon written notice to Landlord, Tenant may assign or sublet to any affiliate, subsidiary, merged entity or franchisee of Tenant as long as Tenant and any guarantor of Tenant remain obligated pursuant to this Lease for its original term and any renewal options, and Landlord reasonably determines that such affiliate, subsidiary, merged entity or franchisee is in the same or similar business as Tenant is now engaged and there is no increased environmental risk. If the successor entity is of the same or greater net worth and credit standing as Tenant and any guarantor of Tenant, the sale transfer, merger, consolidation, reorganization or other change in the assets or structure of Tenant shall not be deemed an assignment hereunder and, upon written notice to Landlord, Tenant may assign or sublease to such entity if Landlord reasonably determines that such affiliate, subsidiary or franchisee is in the same or similar business as Tenant is now engaged, there is no increase in environmental risk, the successor Tenant shall conform to the image and quality of the Building as a Class A environment, and Tenant shall remain primarily liable for performance of the terms and conditions of the Lease.

(c) No assignee or sublessee may exercise any expansion option, right of first refusal option, or renewal option under this Lease, nor shall any such party have the benefit of any specific signage or other similar privileges or rights which may be provided to Tenant under this Lease except in accordance with a separate written agreement entered into directly between such assignee or sublessee and Landlord. Landlord agrees to act in a commercially reasonable fashion, as Reasonable is defined in Section 12.5(a) above, when reviewing any request by an assignee or sublessee to exercise any expansion, renewal or right of refusal options contained within the Lease. After a permitted assignment or subletting, the original Tenant shall have no right to exercise on behalf of a permitted assignee or sublessee as to the space assigned or sublet any expansion option, right of first refusal option or renewal or extension option.

(d) Should Landlord permit any assignment or subletting by Tenant and should the monies received as a result of such assignment or subletting (when compared to the monies still payable by Tenant to Landlord) be greater than Landlord would have received hereunder had not Landlord permitted such assignment or subletting, then fifty percent (50%) of the "Gross Profit" shall be payable by Tenant to Landlord.

12.6. Tenant's Estoppel. Tenant shall, from time to time, within ten (10) days of receipt by Tenant of written request by Landlord, execute, acknowledge and deliver to Landlord a certificate substantially in the same form as the Estoppel Certificate, which is attached hereto as Exhibit E. Each certificate delivered pursuant to this Section may be relied upon by any prospective purchaser or transferee of Landlord's interest hereunder or of any part of Landlord's property or any holder or prospective Holder of any Security Documents.

At Landlord's option, Tenant's failure to deliver such Estoppel Certificate within said ten (10) day period shall constitute an Event of Default of the Lease Agreement and/or the following shall be conclusive upon Tenant:

a) that this Lease Agreement is in full force and effect, without modification, except as may be represented by Landlord;

b) that there are no uncured defaults in Landlord's performance; and

c) that not more than one month's Rent has been paid in advance.

12.7. Parking. All parking spaces allotted per the Lease shall be unassigned. Landlord may designate certain spaces within the parking facilities of the Building or Complex as reserved or assigned spaces for the benefit of Landlord or visitors. Landlord reserves the rights to build improvements upon, reduce the size of, relocate, reconfigure, eliminate, and/or make alterations or additions to such parking facilities at any time.

12.8. Storage. If Landlord makes available to Tenant any storage space, anything stored therein shall be wholly at the risk of Tenant, and Landlord shall have no responsibility of any character in respect thereto.

12.9. Waste Disposal.

(a) All normal trash and waste (i.e., waste that does not require special handling pursuant to subparagraph (b) below) shall be disposed of through the janitorial service.

(b) Tenant shall be responsible for the removal and disposal of any waste deemed by any governmental authority having jurisdiction over the matter to be hazardous or infectious waste or waste requiring special handling, such removal and disposal to be in accordance with any and all applicable governmental rules, regulations, codes, orders or requirements. Tenant agrees to separate and mark appropriately all waste to be removed and disposed of through the janitorial service pursuant to (a) above and hazardous, infectious or special waste to be removed and disposed of by Tenant pursuant to this subparagraph (b). Tenant hereby indemnifies and holds harmless Landlord from and against any loss, claims, demands, damage or injury Landlord may suffer or sustain as a result of Tenant's failure to comply with the provisions of this subparagraph (b).

12.10 Brokers.

(a) Tenant shall not be responsible for broker commission unless Tenant has executed a separate Agency and Brokerage contract with Broker. Which contract shall govern the terms and conditions of Tenant's obligations.

(b) Tenant agrees to repayment of unearned Broker commission for remaining Lease term if Lease is terminated early for any reason on account of Tenant.

12.11 Transfer of Tenants. Landlord does not have the right to transfer tenant to a different space in the building.

12.12 Alteration of Common Areas. Landlord may change, alter, reconstruct, modify, expand, reduce or supplement any and all of the facilities designed for the common use and convenience of the tenants of the Building, including without limitation, parking areas, driveways and other Common Areas, so long as access to the Premises is not materially and adversely affected. Landlord may erect additional buildings or other improvements in the Complex provided that access to the Premises shall not be denied Tenant and that there shall be no encroachment upon the interior of the Premises. Any elimination or shutting off of light, air or view by any structure which may be erected on lands adjacent to the Building shall in no way affect this Lease and Landlord shall have no liability to Tenant with respect thereto.

12.13 Severability; Interpretation. Each clause and provision of this Lease shall be valid and enforceable to the fullest extent permitted by applicable law; however, if any clause or provision of this Lease is or becomes illegal, invalid or unenforceable because of present or future laws or any rule or regulation of any governmental body or entity, effective during the Term, the intention of the parties hereto is that the remaining terms and provisions of this Lease and the application of such terms and provisions to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby.

12.14 Holding Over. If Tenant remains in possession of the Premises after the

expiration of the Lease, with Landlord's written consent, Tenant shall be a tenant at will and such tenancy shall be subject to all the provisions hereof, except that the monthly rental shall be at one hundred fifty percent of the monthly Base Rent payable hereunder upon such expiration of the Term hereof, or of any renewal term.. If Tenant remains in possession of the Premises after the expiration of the Lease without Landlord's written consent, Tenant shall be a tenant at sufferance and may be evicted by Landlord without any notice, but Tenant shall be obligated to pay rent for such period that Tenant holds over without written consent at two hundred percent (200%) of the Monthly Base Rent payable hereunder upon such expiration of the Term hereof, or of any renewal term and shall also be liable for Landlord's damages of whatever kind or nature.

12.15 Rules and Regulations. The rules and regulations in regard to the Building, annexed hereto, and all reasonable rules and regulations which Landlord may hereafter, from time to time, adopt and promulgate for the government and management of the Building and the Complex, are hereby made a part of this Lease and shall, during the said term, be in all things observed and performed by Tenant, his agents, employees and invitees.

12.16 Quiet Enjoyment. Tenant, upon payment in full of the required Rent and full performance of the terms, conditions, covenants and agreements contained in this Lease, shall peaceably and quietly have, hold and enjoy the Premises during the Term; subject, however, to all of the terms, conditions and provisions of this Lease, any Security Documents and any and all ground leases, restrictive covenants, easements and other encumbrances now or hereafter affecting the Premises, the Building or the Complex (if applicable). Landlord shall not be responsible for the acts or omissions of any other tenant, Tenant or third party that may interfere with Tenant's use and enjoyment of the Premises.

12.17 Entire Agreement. This Lease contains the entire agreement of the parties and no representations, inducements, promises or agreements, oral or otherwise, between the parties not embodied herein shall be of any force or effect.

12.18 Limitation of Liability. Landlord's obligations and liability with respect to this Lease shall be limited solely to Landlord's interest in the Building.

12.19 Authority. Tenant represents and warrants that Tenant is a duly organized and validly existing corporation or limited liability company (as the case may be), that Tenant is qualified to do business in the State of South Carolina, that Tenant has full right, power and authority to enter into this Lease, and that each person signing on behalf of Tenant is authorized to do so. If Tenant executes this Lease as a partnership, trust or other legal entity, execution hereof shall constitute a representation and warranty by Tenant that Tenant has complied with all applicable laws, rules and governmental regulations relative to Tenant's right to do business in the State of South Carolina, that such entity has the full right and authority to enter into this Lease and that all persons signing on behalf of Tenant were authorized to do so by any and all necessary and appropriate partnership, trust or other action.

12.20 Force Majeure. Landlord shall be excused from the performance of any of its obligations for the period of any delay resulting from any cause beyond its reasonable control, including without limitation, any natural or unnatural disaster whether arising as an act of God or act of man (which by way of illustration only include fire, flood, earthquake, tornado, hurricane, or any accident or incident involving environmental or biochemical hazards), by reason of strike or labor troubles, riots and civil disturbances or energy shortages or governmental preemption in connection with a national emergency or by reason of any rule, order, or regulation of any department or subdivision thereof of any government agency or by reason of the conditions of supply and demand which have been or are affected by war or other emergency, or by any other cause not the result of Landlord's gross negligence or intentional conduct.

12.21 Multiple Tenants. If Tenant is composed of more than one individual or entity, then all such individuals and entities shall be jointly and severally liable for the due and proper performance of Tenant's duties and obligations arising from or in connection with this Lease.

12.22 Financial Statements. Only in the event Tenant is in default of its obligation for rent contained herein and upon thirty (30) days' written request (no more than once each calendar year) to Tenant from Landlord or Landlord's affiliates, Tenant shall deliver to Landlord or Landlord's affiliates a Financial Statement including statements of income and charges as of the period most recently prepared by Tenant, but no later than one year from the

date of said notice, which Financial Statements shall be prepared in accordance with generally accepted accounting principles and shall accurately reflect the financial condition of Tenant. Landlord may request, in its sole discretion, that said Financial Statements be audited by an independent public accountant. If Tenant is a public company, Tenant's annual report and quarterly SEC filings shall satisfy this requirement.

12.23 Easements. The Complex shall include the easements recorded of record and available for inspection at Landlord's offices. Tenant hereby agrees to abide by and cooperate in the observance of the terms and conditions of the Easements.

12.24 Time is of the Essence. Except as otherwise specifically provided herein, time is of the essence of this Lease.

12.25 Governing Law. The laws of the State of South Carolina shall govern the interpretation, validity, performance and enforcement of this Lease.

12.26 Waiver of Rights. No failure or delay by Landlord to exercise any right or power given it or to insist upon strict compliance by Tenant with any obligation imposed on it, and no custom or practice of either party hereto at variance with the terms hereof shall constitute a waiver or modification of the terms hereof by Landlord or any right it has herein to demand strict compliance with the terms hereof by Tenant.

12.27 Special Stipulations. The Special Stipulations, if conflicting, if any, attached hereto are modifications to the terms of this Lease and such Special Stipulation shall control in the event of any conflict with the other provisions of this Lease or any exhibits hereto.

12.28 Carding and Advertising. Landlord may card the Premises and/or advertise the Premises as being "For Rent" at any time following a default by Tenant which remains uncured or at any time within one hundred eighty (180) days prior to the expiration, cancellation or termination of this Lease for any reason and during any such periods may show and "walk through" the Premises with prospective tenants.

12.29 No Estate In Land. This contract shall create the relationship of landlord and tenant between Landlord and Tenant; no estate shall pass out of Landlord; Tenant has only a usufruct, not subject to levy or sale, and not assignable by Tenant except with Landlord's consent or as otherwise expressly provided herein.

12.30 Damage or Theft of Personal Property. All personal property brought into the Premises shall be at the risk of the Tenant only and Landlord shall not be liable for theft thereof or any damage thereto occasioned by any acts of cotenants, or other occupants of the Building, or any other person.

12.31 Submission of Agreement. Submission of this Lease to Tenant for signature does not constitute a reservation of space or an option to acquire a right of entry. This Lease is not binding or effective until execution by and delivery to both Landlord and Tenant.

12.32 Renewal Options. Tenant is granted one (1) three (3) year renewal option provided that Tenant submits a written notice to Landlord one hundred and eighty days (180) prior to Lease termination to Landlord. 4. Tenants shall not employ any persons other than the janitors of Landlord (who will be provided with passkeys into the offices) for the purpose of cleaning or taking charge of the Premises, except as may be specifically provided otherwise in the Lease.

5. No animals, birds, bicycles or other vehicles shall be allowed in the offices, halls, corridors, elevators or elsewhere in the Building, without the approval of Landlord, except for animals for visually impaired persons or other disabilities for which animals are utilized.

6. No painting shall be done, nor shall any alterations be made to any part of the Building or the Premises by putting up or changing any partitions, doors or windows, nor shall there be any nailing, boring or screwing into the woodwork or plastering, nor shall any connection be made in the electric wires or gas or electric fixtures, without the consent in writing on each occasion of Landlord; provided however, the Tenant shall have the right to hang pictures and other decorative art on the interior walls of the Premises. All glass, locks and trimmings in or upon the doors and windows of the Building shall be kept whole and, when any part thereof shall be broken by Tenant or Tenant's agent, the same shall be immediately replaced or repaired by Tenant and put in order under the direction and to the satisfaction of Landlord, or its agents, and shall be kept whole and in good repair. Tenants shall not injure, overload, or deface the Building, the woodwork or the walls of the Premises, nor carry on upon the Premises any noxious, noisy or offensive business.

7. Landlord shall provide twenty (20) FOBs at no charge. Additional FOBs and/or replacement remotes shall be available for \$5.00 each. Tenant is permitted to install locks on interior door. Tenant is responsible for getting "locked out" and Landlord shall not maintain spare copies of these keys. Tenants, at the termination of their Lease, shall return to Landlord all FOBs for the Building.

8. Landlord in all cases retains the power to prescribe the weight and position of iron safes or other heavy articles. Tenants must make arrangements with the superintendent of the Building when the elevator is required for the purpose of the carrying of any kind of freight.

EXHIBIT D

WORK LETTER

To induce Tenant to enter into the Lease (to which this Exhibit D is attached) and in consideration of the mutual covenants hereinafter contained, Landlord and Tenant agree as follows:

1. **Leased Premises "As-Is."** Tenant and Landlord agree and Tenant acknowledges that the Premises are in all respects being leased by Landlord to Tenant, and shall be accepted by Tenant, in their current "As-Is"/"Where-Is" condition and that Landlord has and shall have no obligation or duty whatsoever to make any alterations, repairs or improvements of any kind or nature in or to the Premises in order to prepare same for Tenant's occupancy, except for such alterations, repairs or improvements, if any, as may be expressly provided in Paragraph 2 below.
2. **Construction Allowance.** Landlord shall provide to Tenant a "Construction Allowance" not to exceed one hundred thousand dollars (\$100,000) to be applied toward the total construction costs. Landlord shall pay to Contractor the Construction Allowance as items are completed in regular intervals.
3. **Excess Costs.** The entire cost of performing the work in excess of the Construction Allowance (hereinafter defined) shall be paid by Tenant.
4. **Construction Management.** Landlord or its Affiliate or agent shall supervise the Work and coordinate the relationship between the work, the Building and the Building's Systems.
5. **Walk-Through; Punchlist.** When Tenant considers the Work in the Premises to be Substantially Completed, Tenant will notify Landlord and within three (3) business days thereafter, Landlord's representative and Tenant's representative shall conduct a walk-through of the Premises and identify any necessary touch-up work, repairs and minor completion items that are necessary for final completion of the Work. Neither Landlord's representative nor Tenant's representative shall unreasonably withhold his or her agreement on punchlist items. Tenant shall use reasonable efforts to cause the contractor performing the Work to complete all punchlist items within thirty (30) days after agreement thereon.
6. **Tenant Default prior to Rent Commencement.** If Tenant defaults prior to Rent Commencement Tenant shall be responsible for repaying the Construction Allowance and any additional amount needed to finish work to restore Suite 110 to reasonable leasable condition.
7. **Landlord Work.** Landlord shall construct, or cause to be constructed, the Premises (the "Work") in accordance with the Tenant Space Plans (as hereinafter defined). Said construction shall be performed by any such general contractor as Landlord may select (the "Landlord's Contractor"). Landlord shall, at Tenant's request, cause Landlord's Architect to prepare a preliminary layout, working drawings, plans and specifications necessary for the build-out of the improvements which will comprise Tenant's Premises, adequate in detail for Landlord to perform or cause to be performed the Work including, without limitation, mechanical (sprinkler, air conditioning, heating, electrical and plumbing) drawings covering mechanical elements of the Work (such drawings are referred to as the "Tenant Space Plans"), which Tenant Space Plans shall cover the construction of the Premises beyond the finish level for the base Building. The Tenant Space Plans (and any modifications thereof) shall comply with all governmental standards, regulations and requirements including without limitation, the Americans With Disabilities Act (ADA) and shall be subject to Landlord's approval (which approval shall not be unreasonably withheld, conditioned or delayed). twenty-four (24) hours notice to

(The definition of Substantially Completed shall also define the term "Substantial Completion").

9. **Change Orders.** Tenant may initiate changes in the Work. Each such change must receive the prior written approval of Landlord, such approval not to be unreasonably withheld or delayed; however, (a) if such requested change would adversely affect (in the reasonable discretion of Landlord) (1) the Building's Structure or the Building's Systems (including the Building's restrooms or mechanical rooms), (2) the exterior appearance of the Building, or (3) the appearance of the Building's common areas or elevator lobby areas, or (b) if any such requested change might delay the Rent Commencement Date, Landlord may withhold its consent in its sole and absolute discretion. Tenant shall, upon completion of the Work, furnish Landlord with an accurate architectural "as-built" plan of the Work as constructed, which plan shall be incorporated into this Exhibit D by this reference for all purposes. If Tenant requests any changes to the Work described in the Space Plans or the Working Drawings, then such increased costs and any additional design costs incurred in connection therewith as the result of any such change shall be added to the Total Construction Costs. If Changes result in a delay to Rent Commencement Date then Tenant and Landlord shall agree on an earlier Rent Commencement Date than when Substantially Completed.
